

**FIRST PRESBYTERIAN CHURCH
KNOXVILLE, TENNESSEE**

Columbarium/Memorial Garden

Fee Schedule

(Effective October 2018)

The charges for interment in the First Presbyterian Church (1) Indoor Columbarium, (2) Outdoor Columbarium and (3) Memorial Garden are all inclusive, including an urn for the Columbaria, and engraving for Columbaria and Memorial Garden. In addition to covering the direct costs, a portion of the cost charged is designated for ongoing maintenance and repairs of the structures and grounds.

Current Price:

Indoor Columbarium (adjacent to Chapel) - **\$2000 per Niche**

Purchase right to exclusive use of a Niche for the cremains of up to two persons

Outdoor Columbarium (adjacent to Graveyard) - **\$2500 per Niche**

Purchase right to exclusive use of a Niche for the cremains of up to two persons

Memorial Garden (located in historic graveyard) - **\$1000**

Purchase right to burial of the cremains of a single individual

Upon payment in full, the purchaser of an interment site will be issued a certificate attesting to the right for disposition of cremains onsite. No interment will take place until the entire payment has been received by the church.

Of the amount charged, the fair market value of the interment rights is calculated to be one-half of the cost; the remainder of the purchase price may be considered a charitable contribution to be used for the maintenance and development of the Memorial Garden and Columbaria. No additional fees will be charged by First Presbyterian Church.

Special Considerations:

Internment rights in the Memorial Garden and Indoor Columbarium may be exchanged for internment rights in the Outdoor Columbarium, upon paying the difference between prior payment and the current cost of the Outdoor Columbarium. In addition, any incidental cost incurred by the church in the movement of a deposited urn in the Indoor Columbarium to a location in the Outdoor Columbarium or Memorial Garden will be the responsibility of the purchaser.
