### OVERVIEW

#### 2015 Winter Programs—WEDNESDAY NIGHTS

**TRACK 1:**

**“NEIGHBORING FAITHS”**—Exploring unfamiliar faiths with philosophical and cultural aspects of various religions and beliefs. Speakers will present information on the Muslim, Buddhist, and Hindu religions, to include topics such as the essential tenets of their beliefs and how they work in the community as a minority. (January 7-February 11.)

**TRACK 2:**

**“THE GREATEST WEEK IN HISTORY”**—If someone asked you to recall the “very best” moment in your life, what would you say? How about remembering seven consecutive days that touched your life? Without question, the greatest, most significant week in history had to be the seven days leading up to and encompassing the crucifixion and resurrection of Jesus Christ. This study shows how that week represents the central moment of time and eternity and how no other week has impacted the world the way this one week did.

**Study for MEN AND WOMEN**, led by Pam Teague and Mary Wilson. Participant guides will be available in class. (January 7-February 11)

**ASH WEDNESDAY**—February 18

**LENTEN PROGRAMS**—ONE TRACK—February 25-March 25

**MAUNDY THURSDAY**—April 2
